---

All students must earn at least 87 credits in order to graduate.

Up to 12 of those credits may be earned for non-classroom credit activities (e.g. moot court, externship, publication, and fellows). The maximum number for externships is 9. You can check your progress toward completing the degree in the "Academic Requirements" feature on the portal.
**The Experiential Requirement**

**Learn While Doing**

Hands on learning is central to our curriculum here at UB School of Law. We seek to ensure that each graduate is ready to transition from law student to law practitioner. The experiential requirement allows you to gain real experience while earning your law degree.

**6 Credits**

All six credits may be earned in a “live client” setting such as a clinic, or you may combine three credits of “live client” with three credits of a simulation or skills class or activity.
