

Summer Online Courses

–Taught by Leading Professors–

May 29–July 8, 2018

Exams: July 9–15, 2018

HOW IT WORKS:

- Access the course anywhere you have internet
- Top faculty from law schools nationwide provide quality courses
- Online format allows you to take courses while working full-time
- Utilize live, online office hours with your professor
- Collaborate with your professor and classmates on class assignments
- Take your final exam online; grading follows your school's policy
- Comprehensive orientation ensures your comfort with the technology
- Email and phone support

“My online course was excellent and of high quality—on par with top traditional classes at my law school.”

“I enjoyed this style of teaching very much.”
