Hold Flags

Before you attempt to register, you should check to see if there are any hold flags on your account. Hold flags are visible on the Student Portal. The office placing the hold flag should be identified, and that is the office you should contact for a resolution of the problem.

Step by Step Registration Instructions

Step by Step Registration Instructions can be found on the [Student Center Help Guides](#). These guides include how to enroll in a variable credit course such as moot court, journal or externship.

Moot Court, Journals, Fellows

If you are going to be on a moot court team, journal or participating in a fellows program, you will register for those classes yourself. You will be added to a permission list and will be able to register for those activities. *Please be sure to select the appropriate number of credits on variable credit courses.*

Wait-Listing

When you wait-list for a course and move off the wait-list into a course, you will be notified via your University of Baltimore email account that you have moved into the desired course. You will not receive notification that you have moved up on the waitlist or that it is your turn to register for the class.

Please note the following reasons you will not move off the wait-list into a class.

1. Time Conflicts (with another course, even a course you are “holding tentatively” in case you don’t get in)
2. Enrollment in another section of the same course
3. Enrolled in the maximum allowed credits: Evening and part time students - 12 credits; full time students - 16 credits

Even if you are number one on the wait-list, if one of these circumstances is present, the next available seat in the class will go to the next person on the wait-list. Please monitor your position on the wait-list closely so that you will not lose your seat to someone who does not have one of the conflicts outlined above.

You may not wait list for a course unless and until it is your scheduled date to register for courses. If you wait list and it is not the date on which you can take such action, you will be removed from the wait list without further notification.

Joint Degree Program Students

Law students in joint programs must register for their graduate courses under their graduate career at their appointed time as a graduate student. Such students are still limited in total credits based on their status as part-time (a maximum of 12 credits) or full-time (a maximum of 16 credits).

Failure to Attend UB after Registering for Classes - No Void Policy

Classes are not automatically voided for non-payment. It is your responsibility to officially withdraw from the class or classes should you decide not to attend UB after registration. Failure to withdraw will result in you being charged in full for the semester and in receiving a grade of "F" for the class(es).

For more information see the [Office of the Bursar](#).
