*Location TBD*

*RSVP needed*

Join your classmates and UB Law faculty and staff, as we work to better our community with the 6th Branch! We'll meet at a location to be determined location (information will be sent out soon) and help rebuild a park or playground for Baltimore kids. Pizza will be served for lunch. This is a great way to get to know your classmates, and those who will work with you during your time at UB Law.

This is always one of our most popular volunteer opportunities at UB Law and we are known for bringing a great group of law student volunteers. Learn more about the [6th Branch](#).

Interested in making a difference in the lives of Baltimore City public school children while collaborating with District and Circuit Court judges and masters? The School of Law's Sayra and Neil Meyerhoff Center for Families, Children and the Courts (CFCC) Truancy Court Program (TCP) Invites you to this volunteer information/training session. CFCC will provide pizza. The TCP is a team-based, holistic, early-intervention program that works with truant students in Baltimore city, where more than 40 percent of high school students are chronically truant and one-third of students fail to graduate on time. Attend the information session to learn more about CFCC and ways you can get involved with the TCP. Time commitment ranges from an hour or two each semester to an hour each week for ten weeks; options include assisting with TCP events, tutoring, and mentoring, among others.
