Turner Research and Travel Awards
to support exceptional academic effort

We are pleased to announce the availability of funds to support student travel and research related to academic work at the University of Baltimore. All UB students who are honors students or “otherwise intellectually inquisitive” are eligible.

The Haifa Summer Law Institute qualifies for this support. You may apply for funds to support travel to and participation in the 2010 program. Approximately ten (10) to twenty (20) individual grants of up to $3000 may be awarded for travel and other activities completed before September 1, 2010.

The application process requires a one page description of the activity to be undertaken and how the activity relates to the student’s educational objectives. A separate page should detail the budget for the activity. The application should also include the applicant’s resume and letters of recommendation. Up to three (3) letters of recommendation may be included, one of which must be from a faculty member from the University of Baltimore.

Successful applicants must submit a report of their activity within sixty days of the project’s completion and may be asked to make a scholarly presentation resulting from their activities to the UB community.

This program is made possible in part by the University of Baltimore Foundation through the generous support of friends and alumni.

Inquiries and application may be sent to:

Professor Richard Swaim
Interim Director,
Denit Honors program
