MENTOR PROGRAM BREAKFAST
A RESOUNDING SUCCESS

On Tuesday, September 28, the LCDO hosted a get-acquainted breakfast for the mentors and mentees participating in the 2010 Mentor Program. The law school lobby was filled with first year students making valuable connections with seasoned professionals eager to share their expertise and advice. This year’s Program boasts the largest number of participants to date, reflecting both the willingness of UB graduates to “give back” and the awareness among many law students of the importance of developing and nurturing professional contacts, especially in a challenging legal market.

The LCDO values the continuing contributions made by our alumni to support the law school and its students. We extend our gratitude for your participation in this valuable program. In turn, we encourage all students participating in the Mentor Program to take full advantage of the opportunities for career and professional development.
