- I am interested in an JD alternative career. How do I find a job?
- When should I start the job search process for an attorney position? What types of jobs should I be applying for before I am admitted to the bar?
- I am doing a clerkship next year. When should I begin my job search?
- How do I overcome a weakness in my background such as a lack of legal experience, low grades, or no journal or moot court participation?
- What is the best way to contact people to see if they are hiring?
