Law Career Development Office Student Advisory Committee
The LCDO is looking for students to serve on our Student Advisory Committee. The committee’s purpose is to act as a liaison between students and the LCDO. We believe opening up communication and having candid dialogue will allow the LCDO to better understand students’ needs and concerns. Representatives will have to attend several meetings each semester and assist the LCDO, as needed. The goal is to have two representatives from each class year and representation from the evening division. If you are interested in learning more and/or serving on the committee, please email Jernee Bramble at jbramble@ubalt.edu by Friday, August 26th.
