

**COMBINED MID-ATLANTIC INNOCENCE PROJECT AND UNIVERSITY OF BALTIMORE INNOCENCE
PROJECT SCREENING QUESTIONNAIRE**

Please note that if you contacted the University of Baltimore Innocence Project and asked for a review of your case you should fill out this form and return it to the Mid-Atlantic Innocence Project at the address provided below as all initial screening of applications is done at that location. We do this in order to prevent duplication of efforts by having both offices review the same Maryland cases as people often request assistance from both organizations. Once the initial screening process has been completed, the case will be reviewed and both organizations will decide whether the case merits additional investigation. Eventually both organizations will decide whether the case will be accepted for representation by either organization.
