

CRIMINAL LAW/ INTRO TO LAWYERING SKILLS
PROFESSOR JAROS, LAW 614-329C, FALL 2023

First Day Assignment for Introduction to Lawyering Skills/Criminal Law

TO: FIRST YEAR ASSOCIATES, CRIMINAL LAW/ILS 614-329C
FROM: PROFESSOR JAROS
SUBJECT: INTRODUCTION ASSIGNMENT WITH PAIRINGS
DATE: 8/9/2023

I would like everyone to participate in an introduction exercise. (I know, you thought you'd never have to do this sort of thing again. Sorry.) You should arrange to interview your assigned partner before our first class. The meeting must be face-to-face. Each person should bring a meaningful and/or interesting personal object to the meeting. You should conduct at least a ten minute interview of your partner. Find out what the object is (if it is not obvious), the significance of the object and what it says about your partner. Feel free to ask about any interesting jobs, skills, hobbies or life experiences of your partner.

You should bring your object to class on Tuesday, August 22nd and sit next to your partner. **During class you will be asked to introduce your partner to the class based on your interview.**

You can contact your partner to arrange your interview by emailing him or her at firstname.lastname@ubalt.edu. If this doesn't work for some reason, just email me (djaros@ubalt.edu) or my assistant Latosha Davis (ldavis@ubalt.edu).

Because of time constraints you will only have 3-4 minutes for the introduction. Please let me know if you have questions.

The pairings for this assignment will be posted in early August. Hopefully there will not be a last minute change to the roster... but I can't promise anything. If there is a change, I will make a last minute adjustment. (This is not uncommon.)
